CONTRACT CHANGE ORDER

DEPARTMENT OF STATE POLICE, FLINT - CCO #5 for Lease #10235 approved by the State Administrative Board on June 6, 1995, between Genesee County 911 Consortium, as Lessor, and the State of Michigan by the Department of Technology, Management and Budget for the Department of State Police, as Lessee. This CCO provides for installation of a new 25 KW Kohler electric power generator as requested by the Department of State Police at a cost not-to-exceed $39,588.00. The space is located at 4495 Corunna Road, Flint, MI 48532.

Purpose/Business Case:
The purpose of this CCO is to install a new Kohler Model 25REZG three phase 25 KW emergency electric power generator to serve the MSP Third District Headquarters in Flint.

Benefit:
This CCO allows the department to provide for continuing law enforcement services from its Third District Headquarters in Flint in the event of a prolonged electric power failure.

Source of Funds:
100% General Funds

Commitment Level:
Present through December 19, 2025; however, this Lease contains an executive (old) cancellation clause with 60 days notice through December 19, 2015 and a standard cancellation clause with 90 days notice after December 20, 2015.

Risk Assessment:
Non-approval of this CCO will hinder the Department from providing continuous law enforcement services, including data entry, data access, e-communications and preservation of evidence, in the event of a prolonged power outage.

ZIP Code:
48532

Executive Team Reporting

- Major Projects/Initiatives Status:
    - Construction on the sixth floor south wing is completed and some staff have been moved back into their final locations while the fourth floor staff was moved to swing space so the construction can be completed on the fifth floor of Constitution Hall. We are still working on reducing the amount of files that are moved into swing space, looking to have some of those sent to the Record Center, our success is minimal at this point.
    - The temporary space for Veterans Affairs was completed and they moved in while we are working on the DIFS space, two new agencies, to move into temporary leased space as they develop their programs and staffing needs.

- Major Accomplishments:
    - The Flint project is back on track, we had a few meetings with the team and agencies to make sure the final space designs meets the agency's needs but doesn't break the project budget.
    - Because of the requests from the agencies for future growth in Constitution Hall the space for other agencies in the building will be reduced.
    - The Carpenter Crew had 52 project work orders assigned to them and 117 work orders and reasonable accommodations were completed this month.

- Looking Ahead:
    - Constitution Hall DEQ has asked for an exception for their 19 and 17 levels for floor to ceiling offices and larger workstations. After a meeting with the DEQ's Director an agreement was brokered that could cause some challenges for the future participants of the consolidation project. Bottom line if DNR and MDARD ask for the same the amount of space left in the building for another agency will be reduced.
    - LARA has requested two MRS groups to be moved into state owned facilities in Jackson and Flint, both have space available though Flint's space won't be available until the construction project is near completion..
    - Treasury is still requesting that FBSA identify funds for DTMB's part of the Operations Center and Austin building projects hoping the funding will be put into the 2014 budget.

Internal Real Estate Division Reporting

- Projects Passing Milestones:
    - Though the new refurbished furniture contract was awarded to DBI there was a protest that has led to reassessing the bid process and documents which could have impact on the final decision.
    - Steve Martin retired from the carpenter crew so we are going to use this open position to be filled with a lead carpenter over the modular crew, a leadership step that has been needed for some time.
